

VINTREK

支数

Nm 16.000

成分

• COTTON ORGANIC 100%

针数

- 7G-2P
- 12G-1P

纱线种类

• 圆状直纱

样纱库存

- 色卡色皆有样纱库存
- 客订色起订量: 3KG

纱线说明

We reuse cotton which is discarded in the process of yarn manufacturing. The reused cotton contains short fibers (neps), and when mixed, it creates a natural unevenness. We have transformed this into a high-twist cord yarn with a natural impression.

[Precautions]

Due to the particular expression of the yarn, cotton remains are left in the yarn. Please be aware that colors may appear differently in sections.

洗水方法
